

National School Connect Program

144 YES PE AMBASSADORS

Nationwide Representation

- **Geographical Coverage:** 28 States + 8 Union Territories
- **Selection Per State/UT:** 4 Students (2 Boys + 2 Girls)
- **Total Ambassadors:** 144 YES PE Ambassadors

Students from across India can participate through registration and an exciting online competition designed to showcase their knowledge, creativity, leadership, and passion for sports and physical education.

The top 144 performers from all States and Union Territories will be selected to become official **YES PE Ambassadors**.

What Do Selected Students Receive?

- Selected students will get an opportunity to visit the Lakshmibai National Institute of Physical Education Gwalior campus.
- Participants will attend a specially designed induction program
- Every participant who successfully completes the program will receive an official certificate recognizing their achievement and participation.
- Selected Students will return to their schools and communities as certified YES PE Ambassadors — inspiring others to stay active, promote fitness, participate in sports, and create a positive sports culture among youth.

Learn • Lead • Inspire

This is not just a competition — it is an opportunity to become a young sports leader and represent your State or Union Territory at the national level.
